PEACOCK[®]

“Engineered for Urban Living”

About us

Firstech Solutions Private Limited is a trusted manufacturer, importer, exporter, and supplier of premium modular kitchen and furniture hardware based in Bahadurgarh, Haryana (India). For **over two decades**, we have been delivering innovative, high-quality solutions that combine precision engineering with modern design.

Our comprehensive product portfolio includes Stainless Steel Wire Baskets, Slim Box Drawer Systems, Pantry Units, Pull-Outs, Cabinet Hinges, Butt Hinges, Telescopic Slides, Aluminium Profiles, Rolling Shutters, Cutlery Organizers, Corner Solutions, Dish Racks, Wardrobe Accessories and a wide range of modular hardware designed for contemporary living.

Manufactured using premium materials and advanced technology, every Peacock product is engineered for superior durability, smooth performance, and lasting reliability. Today, Peacock is a preferred choice for architects, interior designers, modular kitchen manufacturers, dealers and homeowners across India.

Infrastructure

Our modern manufacturing facility is equipped with advanced machinery, precision fabrication systems, and quality control processes to ensure every product meets the highest standards of performance and craftsmanship.

With continuous investment in technology and innovation, we efficiently manufacture a complete range of premium modular kitchen and furniture hardware while maintaining uncompromising quality.

Team

Our success is driven by a dedicated team of engineers, designers, quality specialists, R&D professionals, production experts and customer support executives.

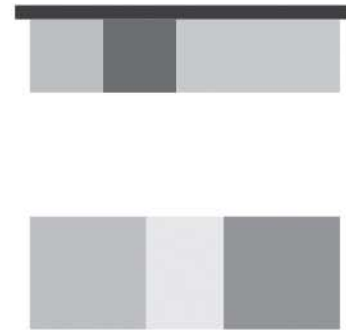

Working together with a passion for innovation and excellence, they ensure every Peacock product delivers outstanding quality, functionality and customer satisfaction.
